

## **Soluteo to Break New Ground at Mobile Office 2004**

**November 8, 2004** - Soluteo announces its participation to Salon Mobile Office 2004, the largest European tradeshow dedicated to mobile enterprise solutions. The event will be held from December 7 to December 9 at the Palais des Congrès de Paris in France. BlackBerry® based mobile solutions specialist Soluteo will take the opportunity to present its new field force automation solution developed to greatly simplify and automate the data entry, sorting and task management processes. Towards tomorrow

Easy to customize or upgrade, Soluteo's solution allows for critical feed-back from the field, including real time work orders follow-up. Main users are presents in markets such as transport, industrial maintenance and repair services and real estate property maintenance. The solution is compatible with all BlackBerry® terminals and accessories (printers, optical and bar code scanners).

Soluteo's booth number is P8 and is located in the "Mobile Demonstration" section.
