

Soluteo announces its participation to the Wireless Enterprise Symposium

April 10, 2005 - BlackBerry® based mobile solutions specialist Soluteo announces that it will participate to the Wireless Enterprise Symposium to be held April 19-21 in Orlando, Florida.

The symposium, a major international BlackBerry® wireless technology related event, will attract over 2,000 attendees, most of them decision makers. Soluteo will take this opportunity to present customized solutions enabling organization to increase their productivity, benefit from field operation feed-back and establish new standards in customer relations or financial management.

As usual, Soluteo will conduct real-time demonstration in order to show the stability of the proposed solutions.

About Soluteo

Leader in the development of BlackBerry® based mobile solutions, Soluteo is one of the few ISV accredited enterprise in Europe by Reseach in Motion (Independent Solution Vendor). Based in the UK, in France and Canada, Soluteo specializes in real-time mobile extensions for existing enterprise software applications. Soluteo's vertical markets include: Market Research, Field Force Automation, Transport, Real Estate Management, CRM, and Data Acquisition.
