

## **Soluteo Will Again Sponsor WES 2008 in Orlando, Florida, May 12-15, 2008**

**March 9, 2008** - Montreal, PQ - Soluteo, a specialist in developing mobile solutions for the BlackBerry® platform, today announced that it will again participate as an exhibitor at the 2008 edition of the Wireless Enterprise Symposium in Orlando, Florida from May 13 to 15.

The Wireless Enterprise Symposium is the must-attend conference of the year for BlackBerry customers and industry members alike. With more than 100 breakout sessions, peer case studies, hands-on labs and a buzzing exhibit hall, it's an incredible opportunity for all attendees to network and take highly qualified advice back to their respective organizations.

This is the second consecutive year that Soluteo has been an exhibitor at the Wireless Enterprise Symposium.

Sigisbert Ratier, President of Soluteo said, "We are very much looking forward to demonstrating some of our Field Force Automation solutions for the BlackBerry® platform at WES again this year. Our partnership with Research In Motion makes this event the ideal venue to meet new and existing customers and to demonstrate BlackBerry® applications that are far beyond email."

Soluteo customers and prospective customers can register for WES now to take advantage of a special discount from the BlackBerry Alliance Team. Use registration code **DX4JRV** to receive an additional **\$300 off** the current Conference Pass fee. To register, follow the link below:
